You must comply with the terms of this **Policy**. Failure to comply with the terms of this **Policy** may result in **Your** claim being refused or reduced where that claim has been affected by **Your** failure to comply.

UNDERSTANDING THIS POLICY

This **Policy** must be read by **You** in its entirety (as conditions, exclusions and other limitations apply).

You must ensure that the cover **You** have purchased under this **Policy** is adequate for **Your** needs.

If **You** are unsure or unclear about any aspect, please discuss this **Policy** with **Us**.

We reserve the right not to implement any of the provisions if, during the term of the **Policy**, this becomes impossible or impractical as a result of legislation or otherwise.

POLICY TERMS AND CONDITIONS

SECTION 1 – THE COVER PROVIDED

The **Insurer** will pay the **Sum Assured** to whom the **Sum Assured** is payable as specified in **Your Schedule**, or to the trustees if the **Policy** has been placed in trust, or to the assignee if the **Policy** has been assigned, or to the **Life Assured's** estate once satisfactory proof has been produced to us of:

- the **Death** of the **Life Assured** during the **Period of Cover** of this insurance;
- the entitlement to payment of the person claiming payment;
- the age of the **Life Assured** (where such age has not been admitted); and
- **Terminal Illness** of the **Life Assured** during the **Period of Cover** of this **Insurance**

INFORMATION YOU HAVE GIVEN US

In deciding to accept this **Policy** and in setting the terms and **Premium**, the **Insurer** has relied on the information **You** have given **Us** and the **Insurer**. **You** must take care when answering any questions **We** ask by ensuring that all information provided is accurate and complete.

If the **Insurer** establishes that **You** deliberately or recklessly provided false or misleading information the **Insurer** will treat this **Policy** as if it never existed and decline all claims. In these circumstances **We** may not refund any **Premiums** that **You** have already paid.

If the **Insurer** establishes that **You** carelessly provided **Us** with false or misleading information it could adversely affect **Your Policy** and any claim. For example, the **Insurer** may:

- treat this **Policy** as if it had never existed and refuse to pay all claims and return the **Premium** paid. The **Insurer** will only do this if the **Insurer** provided **You** with insurance cover which the **Insurer** would not otherwise have underwritten;
- amend the terms of **Your** insurance if **We** would have issued the **Policy** on different terms and conditions (other than those relating to **Premiums**) had the accurate information been provided, **We** may make changes to the **Policy** terms and conditions and treat the **Policy** as if it had been issued on the different terms and conditions;
- reduce the amount paid on a claim to reflect the difference between the **Premium** **You** paid and the **Premium** the **Insurer** would have charged if **You** had provided accurate information.
- cancel **Your Policy** in accordance with the Right to cancel condition below.

- **We** or the **Insurer** will write to **You** if the **Insurer**:

If, however, the corrected age would have placed the **Life Assured** outside the eligibility limits set out in the **Period of Cover**, as defined (for example, an entry age above 55 or an expiry age beyond 60), the **Policy** will be treated as void from inception and all **Premiums** paid will be refunded.

If the misstatement was neither deliberate nor reckless, **We** will apply a proportionate remedy: the **Sum Assured** (and, where applicable, the **Premium**) will be adjusted to the amount that would have applied had the correct smoking status been declared at outset.

SECTION 4 – POLICY EXCLUSIONS

No **Sum Assured** shall be payable if the **Death** of a **Life Assured** results directly or indirectly as a result of:

- **Suicide** as defined and where the **Life Assured** dies as a result of **Suicide** within twelve (12) months of the **Commencement Date**; or
- **You** are diagnosed with a **Terminal Illness**, and you are expected to live longer than twelve (12) months

You may apply for cover only if the **Period of Cover** aligns with the following requirements. It must:

- be at least one (1) year in length;
- end no later than the **Policy** anniversary after the **Life Assured's** 60th birthday;
- not exceed twenty (20) years in total; and
- be taken out only if the **Life Assured** is fifty-five (55) or younger on the **Commencement Date**

Any application that does not satisfy the above criteria will be ineligible and will not be accepted.

This **Policy** does not acquire a surrender value. The **Sum Assured** is only payable on the **Relevant Event** and there is no benefit payable at expiry of this **Policy**.

In addition, this **Policy** is only valid where the **Policyholder** is a resident of the UK at the **Commencement Date**. We must be notified in writing of any changes to **Your** permanent country of residence. Should this change to a country where legislation may mean that **We** are unable to continue to

receive **Premiums** into the **Policy** the **Insurer** may cancel **Your Policy** in accordance with the cancellation provisions set out below.

SECTION 5 – CANCELLING THIS POLICY

COOLING-OFF PERIOD

You may cancel this **Policy** by sending notice at any time on or before thirty (30) **Calendar Days'** from the **Commencement Date** by emailing or calling **Us** using the contact details as stated in **Your Schedule** and the cancellation will take effect from the date specified in the notice or, if no effective date has been specified, from the date the notice is received by the **Insurer**.

Provided the cancellation notice is given by **You** within the **Cooling-off Period**, any money **You** have paid to **Us** will be repaid, free of any charge, unless **You** have made a claim or notified **Us** of a circumstance that may give rise to a claim.

CANCELLATION AFTER THE COOLING OFF PERIOD

You may cancel this **Policy** at any time after the **Cooling-off Period** by writing to **Us** (the contact details are shown on the **Schedule**). Due to the fact that **Premium** is paid monthly **Your Policy** will be cancelled immediately. **You** will be entitled to a refund of **Premium** paid, subject to a deduction for the time in which **You** have been covered. This will be calculated on a proportional basis and providing **You** have not made a claim.

The **Insurer** can cancel this **Policy** by giving **You** or **Us** thirty (30) **Calendar Days'** notice in writing, which will be sent by post or email to the last address **We** hold for **You**. The **Insurer** will only do this for a valid reason.

The **Policy** will be deemed to have lapsed if payment has not been received within thirty (30) **Calendar Days**.

REINSTATEMENT

When the **Policy** lapses **You** will have sixty (60) **Calendar Days** from the date of the **Policy** lapsing to request the reinstatement of the **Policy**. **You** must complete **Our** 'Declaration of continued good health' form and submit this to **Us**. **We** may request further information to consider your application for reinstatement. If **We** agree to re-instate **Your Policy** **You** must pay any outstanding **Premiums**. If **You** do not exercise this option within sixty (60) **Calendar Days** of the **Policy** lapsing, the **Policy** will end and no benefit will be payable.

SECTION 6 – MAKING A CLAIM

If **You** need to make a claim, **You** should contact **Us** (using the contact details as shown on the **Schedule**) and **We** will send **You** a claim form for completion.

In order for the claim to be assessed, the completed claim form will need to be returned together with the original death certificate or a certified copy issued directly by the General Register Office. In addition, the **Insurer** may need some or all of the following evidence depending on the nature and circumstances of the claim:

- proof of the **Life Assured's** age;
- **Policyholder** details;
- medical reports and records;
- coroners' and/or police reports; and/or
- such other information as the **Insurer** may reasonably require to assess the claim.

The **Insurer** is prepared to consider claims submitted after **Your Policy** has lapsed or is no longer in force, provided that:

- the **Relevant Event** (e.g. **Death** or diagnosis of a **Terminal Illness**) occurred during the **Period of Cover** and the **Policy** was active at that time; and
- claims are submitted within sixty (60) **Calendar Days** of the **Policy** having lapsed or no longer being in force.

SECTION 7 - THE BASICS

INFORMATION WE COLLECT:

The **Data Controllers** collect and process personal data about **You** that is necessary to arrange, administer and underwrite the insurance cover from which **You** benefit and to meet all legal obligations. This data may include:

Where the **Data Controllers** need **Your** explicit consent to process special-category data (for example, health or criminal-convictions information), the **Data Controllers** will request it separately. **You** are not obliged to give consent, and **You** may withdraw it at any time, but this may affect the **Data Controllers'** ability to provide or continue cover or to handle claims.

HOW THE DATA CONTROLLERS USE AND SHARE YOUR DATA

Your data is used for underwriting, premium collection, claims validation, **Policy** and claims administration, customer communications, fraud prevention and other activities necessary to provide and manage **Your** cover. For these purposes it may be shared, always on a secure and confidential basis, with:

- service providers acting on the **Data Controllers'** behalf (such as payment processors and mailing houses);
- other insurance-sector participants (including insurers, reinsurers, intermediaries, loss adjusters and sub-contractors);
- regulators, compulsory-insurance databases, law-enforcement agencies, fraud-prevention bodies and other authorities, where disclosure is required or permitted by law; and

- third parties involved in actual or threatened legal proceedings, to the extent lawful and necessary.

the **Data Controllers** will only disclose **Your** personal information in connection with the insurance cover that the **Data Controllers** arrange and to the extent required or permitted by law.

Personal data may be processed by the **Insurer** in Guernsey, a jurisdiction recognised as providing an equivalent level of data protection to that of the UK and the European Union.

the **Data Controllers** keep personal data only for as long as is reasonably necessary for the purposes for which it was collected, including satisfying any legal, regulatory, accounting or reporting requirements.

Full details of how **Your** personal data is collected, used, stored, protected and retained, and of the rights available to **You** under applicable data-protection law, are set out in the Privacy Notices of:

- the **Insurer** at <https://www.1edgeinsurance.gg/wp-content/uploads/2025/04/1EDGE-Privacy-Policy.pdf>; and

If **You** do not have access to the Internet, please write to the **Us** using **Our** contact details as set out in **Your Schedule**, including **Your** address and a copy will be sent to **You** in the post or via email.
